

WANTED

Purple Loosestrife

Mark Conboy

INVASIVE SPECIES

INSTRUCTIONS!

Make a poster to educate yourself and your neighbourhood about local invasive species and their impacts!

1. Pick an invasive species you'd like to focus on and research this species! You can use the questions below to guide your research.
2. Fill out your poster with the information you've found.
3. Add or draw a picture of this species.
4. Hang up the poster in your neighbourhood!

PLANNING YOUR POSTER
