

Introduction to Birding

Activity Adapted from: Kahnawà:ke Environment Protection Office- Otsitenokón:a Birds

Birding Tips

- Bring along a field guide
- Be quiet and avoid sudden movement
- Avoid brightly coloured clothing
- Listen closely and follow the calls
- Consider sharing your sightings through a local monitoring program. For a list of programs visit: birdscanada.org/you-can-help-/citizen-science

Task

See how many of the birds below you can identify. Learn their names in Anishinaabemowin and Kanyen'kéha *Go to the Elbow Lake website to hear oral recordings of each name.

Birds

1. American Robin

Scientific Name: *Turdus migratorius*
Anishinaabemowin: Apichi
Kanyen'kéha: Tsihsó:ko

3. White-breasted Nuthatch

Scientific Name: *Sitta carolinensis*
Anishinaabemowin:
Zhagashkaandawense
Kanyen'kéha: Tekarontahrónhon

2. Tufted Titmouse

Scientific Name: *Baeolophus bicolor*
Anishinaabemowin:
Kanyen'kéha: Tsikstiré:re

4. American Goldfinch

Scientific Name: *Spinus tristis*
Anishinaabemowin: Aginjibagwesi
Kanyen'kéha: Otsí'nekwáhrha

QUILLS

5. Ruby-throated Hummingbird

Scientific Name: *Archilochus colubris*
Anishinaabemowin: Nenookaashiins
Kanyen'kéha: Raónroan

7. Black-capped Chickadee

Scientific Name: *Poecile atricapillus*
Anishinaabemowin: Jigajigaaneshiih
Kanyen'kéha: Tsiktsiré:re

6. Baltimore Oriole

Scientific Name: *Icterus galbula*
Anishinaabemowin:
Ozaawaadinimanese
Kanyen'kéha: Atyaren'ta'kó:wa

8. Red-winged Blackbird

Scientific Name: *Agelaius phoeniceus*
Anishinaabemowin:
Memiskoningwiigaans
Kanyen'kéha: Tsyó:kwaris

QUILLS

Queen's University Biological Station

9. Pileated Woodpecker

Scientific Name: *Dryocopus pileatus*
Anishinaabemowin: Meme
Kanyen'kéha: Karontaká:roks

11. Mourning Dove

Scientific Name: *Zenaida macroura*
Anishinaabemowin: Omiimii
Kanyen'kéha: Orí:te

10. Blue Jay

Scientific Name: *Cyanocitta cristata*
Anishinaabemowin: Jiindiisiw
Kanyen'kéha: Terí:teri

12. Downy Woodpecker

Scientific Name: *Picoides pubescens*
Anishinaabemowin: Memegwenh
Kanyen'kéha: Kwitó:kwito

QUILLS

Queen's University Indigenous Land-Based Learning STEM
Queen's University Biological Station

13. European Starling

Scientific Name: Sturnidae
Anishinaabemowin: Moozobineshiinzh
Kanyen'kéha: Katsi'tensherahétken

15. Dark-eyed Junco

Scientific Name: Junco hyemalis
Anishinaabemowin: Baatezhiiwiish
Kanyen'kéha: Othore'héha

14. House Sparrow

Scientific Name: Passer domesticus
Anishinaabemowin: Oodenaw-
bineshiinh
Kanyen'kéha: Kanatakón:ha

16. Northern Cardinal

Scientific Name: Cardinalis cardinalis
Anishinaabemowin: Misko-bineshiinh
Kanyen'keha:
Onekwénhtara'nikatsi'tenhserò:ten
